EXPORT ORGANISATIONS  
Setup By Ministry of Commerce, Government of India

# Packaging Promises

**WE WOULD LIKE TO FORMALLY INTRODUCE OURSELVES TO YOU AND REQUEST YOU TO REFER TO THIS BROCHURE FOR DEEPER UNDERSTANDING OF WHO WE ARE.**

We are based in Varanasi, Uttar Pradesh and Jabalpur, Madhya Pradesh having ISO 9001-2015 certification for ensuring standard quality management practices for the products we manufacture. With over 25 years of experience in this field, we have been able to create dominance with the consistent service we provide to our customers and along with this legacy we have also been declared a government recognised star export house. We have a number of corporate buyers which accentuate that the quality of our products is reliable.

## PRODUCTION CAPACITY:

We are a respectably sizeable organization with an annual capacity of **34,000 M.T.** aided by a total of **7 extrusion lines, 2 lamination plants** and over **350 looms**. All our manufacturing units have 100% integrated in house testing equipment used for testing the qualitative parameters of production. Furthermore, all the units now are installed with both i.e. **manual and fully automated conversion lines** for manufacturing bags as per the requirement of the customers.

All the FIBC bags of our organization are manufactured in our flagship manufacturing unit – Mithila Plywood Private Limited Unit 2 located in Varanasi which is furnished with non – porous, anti slip and moisture resistant flooring for better hygiene in compliance with enhanced quality standards.
